

Our programs and services for **LGBTQIA+** people

We are committed to
providing safe and
welcoming services to
LGBTQIA+ people.

VincentCare
Engage. Enable. Empower.

We are committed to providing safe and welcoming services to LGBTQIA+ people.

This is why we maintain our Rainbow Tick accreditation. We are a specialist housing and homelessness service that supports people who are homeless, at risk of becoming homeless or experiencing a housing crisis. This includes couch surfing, emergency or insecure accommodation, rooming or boarding housing – or being kicked out of home and having nowhere to go.

VincentCare can:

- help you find crisis accommodation;
- support you to find sustainable housing;
- refer you to other LGBTQIA+-friendly services;
- provide information about support or peer groups.
- help with mental health, alcohol or drug issues,
- general health or family violence.
